

## ***Tailift en Forkliftaction***

2 de Octubre, 2009

La revista digital internacional del sector de manipulación de cargas FORKLIFTACTION publica una reseña sobre la participación de TAILIFT en la Feria CeMAT Asia en Shanghai y Feria de Canton en Guangzhou adjuntando la invitación de TAILIFT para visitar sus stands.

En la reseña la revista califica y valora TAILIFT como una de las marcas MÁS RECONOCIDAS a nivel global. Recordamos que TAILIFT, que está clasificada entre las 20 primeras marcas de carretillas del mundo, es el primer fabricante de carretillas en Taiwan, su país, y tercera marca más vendida en China, muy por delante de todas las marcas americanas y europeas instaladas en ese gran país asiático.

A continuación facilitamos la citada reseña de la revista FORKLIFTACTION:
